Job Qualification &Description For Incubation Manager under SARTHI

Job Title : **Incubation Manager**

Location : **Indore**

Company : **SGSITS Association for Raising Technology & Harnessing Innovation (SARTHI)**

Position Summary:

The Incubation Manager will be responsible for performance as per schedule and budget, will play a pivotal role in planning and executing the approved programs of SGSITS Association for Raising Technology & Harnessing Innovation (SARTHI) in accordance with established processes and procedures. Reporting directly to the CEO/Coordinator CIDI, will ensure compliance with all rules and regulations, ensure safety of resources, while fostering a culture aligned with the organization's vision, mission, and values. He/She will work to coordinate defined activities of SARTHI, CIDI, SGSITS Incubation Forum (SIF) and institute innovation council (IIC) of SGSITS.

Qualification Requirements:

Essential:

i. Bachelor's degree in science/engineering/technology.
ii. Strong execution skill set, including a focus on data-driven decision-making, comfort with ambiguity, and ability to drive rapid "learn & implement" iterations.
iii. Fluent in written and spoken English and Hindi, with the ability to speak in front of an audience when necessary.
iv. Excellent skills in the entire Microsoft Office Suite (MS Word, PowerPoint, Excel, etc.).
v. Overall understanding of digital technology and product landscape like connectivity, communication and networking on internet and social platforms.
vi. Strong networking and marketing skills.

Desirable:

i. Postgraduate qualification MBA (Marketing / Sales)
ii. Experience as a team member in an incubation centre.
iii. Proven experience in managing legal, statutory financial compliance from admission to graduation in the field of incubation.
iv. Hands-on experience with Project Management principles and processes is essential. PMP / PRINCE2 certification is an added advantage, and knowledge of MS Project or Primavera is preferred.
v. Prior experience as a startup founder or with a relevant VC/Angel investment firm is a bonus.
vi. Knowledge and experience of government procedures and compliances.

Key Responsibilities:

i. Plan and execute approved programs in alignment with established processes and procedures in lines with schedules and budgets, under CEO/ Coordinator CIDI/ Management.

ii. Ensure compliance with all rules and regulations of SARTHI.
iii. Develop and nurture an organizational culture consistent with the vision, mission, and values of SARTHI.
iv. Collaborate with startup founders according to the frameworks and mechanisms outlined by the Incubator leadership team.
v. Manage the business performance of various activities and programs of SARTHI including but not limited to portfolio startups, foster industry connections, and engage with stakeholders. Responsibilities will also include:
   a) Innovative approach for outreach and business development growth and maintenance of activities as per the mandate of the SARTHI
   b) Keep track and appraise the CEO for various Government schemes / Incubator networks for active collaboration and successful participation.
   c) Provide effective leadership for all stakeholders involved.

vi. Identify potential bottlenecks and risks, and present effective solutions to the SARTHI Leadership Team for decision-making.
vii. Conduct regular appraisals and evaluations of the SARTHI Team and Incubates/Projects.
viii. Interact with internal and external stakeholders to ensure program performance and explore new partnership opportunities.
ix. Mobilize and engage the startup community, connecting with relevant ecosystem stakeholders proactively.
x. Generate insights, use-cases, and industry analyses for internal and external usage by studying key sectors.
xi. Manage and support internal and external communication for the program, including media interactions when required.
xii. Maintain relationships with portfolio companies, mentors, and partners.
xiii. Prepare necessary portfolio reports for both internal and external purposes.
xiv. Ensure the smooth day-to-day functioning of the incubator by coordinating with various teams, including Admin, Marketing, Design, HR, and more.
xv. Actively participate in events, seminars, and workshops to build and share sectoral knowledge. Coordinate event participation with relevant team members.
xvi. Handle special projects and initiatives as assigned from time to time.
xvii. Any other responsibility as per the instructions of the management.
xviii. Report to the CEO/ Coordinator CIDI.
